**RESEARCH DESCRIPTION:**
The goal of this research project is to explore the attitudes of members of different ethnocultural minorities toward immigration and toward other ethnocultural minorities. This includes the attitudes of members of older immigrant communities toward newer immigrant communities. While the focus will be on the Canadian case, the key objective will be to explore studies from a range of countries.

**KEY LEARNING ACTIVITIES:**
- Literature review of existing studies on the question of ethnocultural minorities attitudes toward immigration;
- Exploration of survey databases and presentation of basic descriptive statistics;
- Exploration of newspapers and other media sources on questions of relations between different ethnocultural minority groups;
- Writing of a report on key findings.
